This application was allowed on September 7, 2006. A Notice of Drawing Inconsistency with Specification was mailed on October 18, 2006. The Notice points out that Fig. 7 in the Drawings is not listed in the Brief Description of the Drawings in the Specification.

This Amendment corrects the Brief Description of the Drawings. Specifically, the brief description of Fig. 6 has been amended to refer to Fig. 7 instead of Fig. 6, since the brief description does in fact apply to Fig. 7. A proper description of Fig. 6 has been added to the Brief Description of the Drawings in the Specification. Exemplary, non-limiting, support for these changes can be found at page 18, lines 3-7, and page 19, lines 20-23, of the specification. No other changes have been made and no new matter is added. Applicants respectfully request that the Amendment be promptly entered since it is response to the Notice of Drawing Inconsistency with Specification was mailed on October 18, 2006.

Applicant does not believe that any fee is due with this communication. However, the Communication is hereby authorized to charge any additional fee(s) or credit any overpayments that may be necessary with this communication to Deposit Account No. 10-0100.
